

CITY OF MOOSE JAW

ANSWER TO ENQUIRY

SUBJECT: Answer to Enquiry #13-2008
New Arena Negotiations

At the June 30, 2008 regular meeting of City Council, Councillor Swanson submitted the following enquiry:

“As stated in the referendum question, the new Multiplex was based on the Nustadia Business Plan with signed agreements from user groups required. What negotiations have occurred with the main tenant, the Warriors, with respect to a user agreement for the new Multiplex? What meetings, who attended, and when is an agreement anticipated?”

The Director of Parks and Recreation and the City Manager have met with representatives of the Moose Jaw Tier I Hockey Inc. (operating as Moose Jaw Warriors Hockey Club) **on three occasions.** **The Warriors have been represented by their President, Mr. Darin Chow,** and General Manager, Mr. Chad Lang.

As of this date, no agreement for a lease for the use of the Multiplex Arena has been achieved. In this regard, negotiations are ongoing.

I trust the above answers the enquiry.

Respectfully submitted,

Garry McKay
City Manager
